Thanks Bobby,

Rick and I will get back to you shortly in regards to your request and whom we might be able to send for EPA.

Respectfully – Tami

Tami,

Sorry I didn't answer immediately. I had problems with my computer not being able to send into the late afternoon.

We didn't have the teleconference as planned May 20th and Meeting on the 28th is still on.

The Chairman and I talked about your presence and he very happily said INVITE THEM. Since the 28th is going to be the business meeting your presence in Dillingham on the 29th will be perfect for consultation.

The business meeting will be held at the end of the Wood River Road in our vacant home. But location for the consultation may be changed to accommodate more tribal governments.

Once again sorry for not responding quickly and hope you will be able to make it on such short notice.

Bobby

Hi Bobby,

I thought I would check in to see if the UTBB made any decisions about consultation with EPA next week?

Thanks! Tami

Rick and Tami,

United Tribes of Bristol Bay will be having a teleconference session on May 20th and their board meeting is going to take place on the 28th.

I'll pose the question if they would like EPA's presence on the 28th during their teleconference.

Your all doing an excellent job and THANK YOU from the bottom of my heart.

Bobby
